**SUBJECT: NOTICE OF VIOLATION - NO FURTHER ACTION REQUIRED;
UNDERGROUND STORAGE TANK SYSTEM AT RIVERVIEW PLAZA,
600 "I" STREET, SACRAMENTO**

Dear Ms. Alupoaie:

As part of an initiative by the State Water Resources Control Board (State Water Board) to ensure compliance at government-owned and/or operated underground storage tank (UST) facilities in California, the State Water Board staff inspected the UST at your facility on October 24, 2017, pursuant to authority under Health and Safety Code (H&SC), chapter 6.7, section 25289.

The State Water Board has identified the following violations pursuant to H&SC, chapter 6.7, and California Code of Regulations (CCR), title 23, chapter 16:

No.	Violation	Tank	Start Date	Stop Date	Regulation
1	Failure to Maintain Designated Operator (DO) Training Records Onsite – The annual DO facility employee training records were not available at the time of inspection	Diesel	October 24, 2017	October 25, 2017	23 CCR 2715(f)(3)

To our knowledge, the violation above has been corrected. Therefore, no further action is required at this time. The State Water Board reserves the right to bring an action against the owner and/or operator of the tank in violation, or it may recommend that Sacramento County Environmental Management Department (EMD) pursue enforcement, or Sacramento County EMD may elect to pursue enforcement independently.

If you have any questions, please contact me at (916) 341-5551, or by email at amantha.henkel@waterboards.ca.gov.

Sincerely,

Amantha Henkel
